

CYNDI GIBSON

CYNDI: Yeah, OK, So, Billy wanted me to go to prom with him, but I turned him down. No big deal. There are lots of other guys girls, boys are like secondhand cars ... easy to get, unreliable and cheap! Besides do you know what Billy does after school? ... He works at a roller skating rink, which means he earns three dollars an hour and that's it ... So he can't possibly afford to buy me on three bucks an hour! Listen girls, Billy is really poor. My mother told me once that if he hadn't been born a boy he'd have had nothing to play with! Mom says marry for money, love will come later. I can't believe you girls are so naive! Look, there are plenty of guys in the world. It's just a matter of finding the right one to satisfy my needs ...
